

Dress Code Requirements

Texas Ballet Theater School adheres to a dress code. All students are expected to maintain a neat appearance and to abide by their specified dress code. All dancewear should be cleaned after each use. It is recommended that extra tights and leotard be kept in dance bags. All warmers and skirts should be removed prior to entering the studio. All ballet classes will wear pink tights and soft pink ballet shoes.

Long hair must be worn in a bun (instructions are available in the School Office) and short hair must be pulled back and pinned off the face. No ponytails, (except for 3 – 5 yr olds) braids, or messy buns are permitted. Every student from Level 3 must have a bun and know how to do their own buns. Hair must be pulled back neatly for jazz, tap and modern.

For the safety of the students, simple stud earrings are the only permitted jewelry. Hoops, dangling long earrings, necklaces, bracelets, anklets and rings must be removed prior to class.

Dance clothes should **not** be worn outside the building. ALL students must wear an appropriate cover-up when entering or exiting the building. Dance shoes are NEVER to be worn outside the building. Dirt and oils from the outside will collect on the shoes and damage our special dance floors.
