# STUDENT CODE OF CONDUCT

## BE KIND

We are kind with our words and actions to our fellow dancers.

We are kind and accepting of new dancers.

I am kind and accepting of every dancer, even ones not like me.

## BE RESPECTFUL

We are respectful to our teacher. (our behavior shows)

We are respectful to the school staff. (our manners show)

We are respectful of the studios. (we pick up after ourselves and treat the building well)

We are respectful towards ourselves. (how we speak about ourselves; how we speak about our bodies)

## BE INVOLVED

Watch...your teacher.

Watch out...for those who need a friend.

Listen...to teachers and staff.

Listen...to friends who need a listening ear.

Learn...from others around you.

Learn...from teachers and staff.

## BE BRAVE

Try your best!

Push yourself to try something new.

If you see something, say something.
