Welcome

Dear Friends,

Welcome to Bass Performance Hall for the first production of our 22-23 season, *Cirque du Ballet*. This brand new ballet is from the creative genius of our Artistic Director Laureate, Ben Stevenson, O.B.E. You'll recognize characters and choreography from some of his most iconic ballets, including *Cinderella* and *Dracula*, set against the backdrop of a nostalgic circus.

This production also marks the beginning of my 20th season at Texas Ballet Theater and first as Acting Artistic Director. It has been an incredible two decades with the company and I am thrilled to kick off the third in a new role. I look forward to seeing what's in store for our wonderful company throughout the season.

Cirque du Ballet is fun for all ages, and I welcome all our young patrons in the audience today. A trip to the ballet is a special experience; I hope you soak in every minute and enjoy the dancing onstage, the spectacle of the theater, and the time spent with loved ones.

If you enjoy the show today, please come see us again for another production this season. We'll be back in November with our annual production of *The Nutcracker* and will present two ballets in the spring, *Modern Masterpieces* and *Alice in Wonderland*. For more information, visit us online at texasballettheater.org.

Thank you for your support of Texas Ballet Theater, and I hope to see you again soon.

Sincerely,

**THOMPSON'S
HARVESON & COLE**
FUNERAL HOME & CREMATORY

DID YOU KNOW? WE MOVED!

THOMPSON'S HARVESON & COLE has served the Fort Worth area funeral and cremation needs since 1911. After six plus decades on 8th Avenue we have moved. Our new location is in the old John Knox church. The facility includes a beautiful Tudor chapel with stained glass windows, large sparkling reception room, a serving kitchen, lovely outdoor areas, and ample parking.

The Thompson family continues to provide Fort Worth, and its surrounding areas, with the outstanding service that has earned the company such a superior reputation for so many years.

HEALTH SCIENCE CENTER *at* FORT WORTH

Students, faculty, patients and neighbors all have one thing in common: they're people. And we put the needs of our people first. In addition to being a premier academic medical center, **HSC** believes in the bigger picture of health. Five schools and one shared purpose. Creating an environment where innovation and ideas can thrive, and all people feel informed, empowered and understood.

When we're all connected, we're in it together.
